Standin' at the door  
Of the Pink Flamingo  
Crying in the rain  
It was a kind of so so love  
And I'm gonna make sure  
It doesn't happen again

You and I had to be  
The standing joke of the year  
You were a run around  
A lost and found  
And not for me I feel

Take your hands  
Off me, please  
I don't belong to you, you see  
And take a look in my face  
For the last time  
I never knew you  
You never knew me  
Say hello, goodbye

Say hello and wave goodbye

We tried to make it work  
You in a cocktail skirt  
And me in a suit  
But it just wasn't me  
You're used to wearing less  
And now your life's a mess  
So insecure you seem

Well I put up with all the scenes  
And this is one scene  
That's goin' to be played my way

Take your hands  
Off me, please  
I don't belong to you, you say  
And take a look in my face  
For the last time  
I never knew you

You never knew me  
Say hello, goodbye

Say hello and wave goodbye  
Say hello and wave goodbye

Under the deep red light  
I can see the make up sliding down  
Well hey little girl  
You will always make up  
So take off that  
Unbecoming frown

As for me well  
I'll find someone  
Who's not going cheap  
In the sales  
A nice little house wife  
Who'll give me a steady life  
And not keep going off the rails

Take your hands  
Off me, please  
I don't belong to you, you say  
And take a look in my face  
For the last time  
I never knew you  
You never knew me  
Say hello, goodbye

Say hello and wave goodbye  
Say hello and wave goodbye  
Say hello and wave goodbye  
Wave goodbye

Say hello and wave goodbye  
Say hello, wave goodbye  
Goodbye  
Say goodbye  
Say goodbye

We were born before the wind  
Who were we to understand  
We were born before the wind  
Say goodbye

Through the rain, hail, sleet and snow  
Say good bye  
And I'm trying, trying, trying  
To say goodbye  
Say goodbye

Say goodbye  
Say goodbye

In the wind and the rain my darling  
Say goodbye  
In the wind and the rain my darling
