Something's gotten hold of my heart  
Keeping my soul and my senses apart  
Something's gotten into my life  
Cutting its way through my dreams like a knife

Turning me up  
Turning me down  
Making me a smile  
Making me a frown

In a world that was war  
I once lived in a time  
That was peace  
With no trouble at all

But then you came my way  
And a feeling I know, shook my heart  
And made me want you to stay  
All of my nights and all of my days

And I wanna tell you now  
Something got a hold of my hand  
Dragging my soul to a beautiful land  
Something has invaded my night  
Painting my sleep with a color so bright

Changing the gray  
Changing the blue  
Scarlet for me  
Scarlet for you

I've got to know if this is the real thing  
I've got to know what's making my heart sing  
A smile and I am lost for a lifetime  
Each minute spent with you is the right time

Every hour, every day  
You touch me and my mind goes astray  
And baby and baby

Something's gotten hold of my hand  
Dragging my soul to a beautiful land

Something's gotten into my life  
Cutting its way through my dreams like a knife

Turning me up  
Turning me down  
Making me a smile  
Making me a frown

In a world that was war  
I once lived in a time  
That was peace  
With no trouble at all

But then you, you, you, you came my way  
And a feeling I know shook my heart  
And made me want you to stay  
All of my nights and all of my days

And I wanna tell you now  
Something's gotten hold of my heart  
Keeping my soul and my senses apart  
Something's invaded my night  
Painting my sleep with a color so bright

Changing the gray  
Changing the blue  
Scarlet for me  
And scarlet for you
