Lonely

I'd like to drown me in my coffee  
Counting hours with cappuccinos  
Sitting framed within the window  
I sit here acting like I'm reading  
I'm lonely

I'm reading minds  
And sadly dreaming  
There's some of me left to believe in  
Surrender  
Surrender  
That businessman smell  
Found in one night hotels

The sheets are unwashed

Tobacco and sweat  
From the stories they tell  
And initials in dust  
The man at the desk  
Throws you looks of disgust  
Soon I'll try hard to lose you  
Drown you in my cappuccino  
Surrender

Surrender  
Sodom and Gomorrah  
Come tomorrow  
I won't know you from Adam or Eve

Look me in the eyes

And tell me you love me

Once, before you leave  
Surrender

Surrender
