Sometimes I feel I've got to  
Run away I've got to  
Get away  
From the pain that you drive into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
For I toss and turn I can't sleep at night

Once I ran to you  
Now I'll run from you  
This tainted love you've given  
I gave you all a boy could give you  
Take my tears and that's not nearly all  
Oh...tainted love  
Tainted love

Now I know I've got to  
Run away I've got to  
Get away  
You don't really want any more from me  
To make things right  
You need someone to hold you tight  
And you think love is to pray  
But I'm sorry I don't pray your way

chorus

Don't touch me please  
I cannot stand the way you tease  
I love you though you hurt me so  
Now I'm gonna pack my things and go  
Tainted love, tainted love (x2)  
Touch me baby, tainted love (x2)  
Tainted love (x3)

Baby, baby, where did our love go?  
Oh dont you leave me,  
Don't you leave me no more...  
I've got this burnin', yearnin', yearnin' feelin inside me.  
Ooohh deep inside me,  
And it hurts so bad...

You came into my life so tenderly,  
With a burning love,  
That stings like a bee...  
And now that I'm surrounded so helplessly,  
You know I believe, you wanna leave me...  
Oh baby, baby, where did our love go?  
Oh don't you leave me,  
Don't you leave me no more...

(repeat till fade)
