You only live twice
Oh, so it seems
One life for yourself
And one for your dreams

You drift through the years
And life seems stray
Till one dream appears
And love is its way

I'd love you to strangers
Ooh, beckon you on
Don't think of the danger
For a stranger is gone

This dream is for you
So pay the price
Make one dream come true
You only live twice

This dream is for you
So pay the price
Make one dream come true
You only live twice
You only live twice
