I am waiting for your love
missing faces in my room.
I am waiting for your love,
lie looking at the moon.

Emotional.
Devotional.

Give me the greatest love
something there is in the heaven,
sometimes I just can'T hide
why can'T we live together now.

I am waiting for your love
we're playing silly games.
I am waiting for your love
let me standing in the rain.

Emotional.
Devotional.

Give me the greatest love
something there is in heaven,
sometimes I just can hide
why can we live together now.

Emotional.
Devotional.

Give me the greatest love
something there is in heaven,
sometimes I just can hide
why can we live together now.
