Wow,Have love
Whoa baby will travel,
Uh huh, uh huh,have love
Woah baby will travel,
I said if you need loving then
Mm,hmm,I'll travel.

Yeah,I'll travel from Main to Mexico
Just to find a little girl that loves me so
No matter when, no matter where I'll be
I'm looking for a woman that'll satisfy me.

Wow,Have love
Whoa baby will travel,
Uh huh, uh huh,have love
Woah baby will travel,
I said if you need loving then
Mm,hmm,I'll travel.

-Sax solo-

Yeah,yeah,yeah, have love
Oh baby will travel
Uh huh,have love
Oh pretty baby will travel.
I said if you need loving then
Mm, I'll travel.

Well I might take a boat or I'll take a plane
I might hitch hike or jump a railroad train
You're kind of love drives a man insane
So look for me walking just a any old way.

Yeah,yeah,yeah, have love
Oh baby will travel
Uh huh,have love
Oh pretty baby will travel.
I said if you need loving then
Mm, I'll travel.
