I'd like to imagine  
Your kiss is like dynamite  
I didn't think  
That you would call me tonight

I like you, things you do  
You're mod through and through

Let's go for a ride  
On your sparkly Lambretta  
I'll sit you behind you  
And cling to your sweater

I like you, things you do  
Let's talk about The Who

It's all tight trousers  
And records to you  
Let's wear our parkas  
And sport big hair-dos

You're only 16  
But you seem so much older  
I'm 25 now  
And I can't get much bolder

I like you, things you do  
Wish I wasn't too old for you

Lambretta boy
