I know it's hard for you to show that you love me
I can see when you look at me you want to tell me
you say you don't know how
but you don't have to 'cause I know
you say you don't know how
but you don't have to 'cause I know

when you say you've always been this way, I believe
you
you tell me this selfish tendency will never leave you
you say you can't change now
but you don't have to 'cause I know
you say you can't change now
but you don't have to 'cause I know
I don't doubt you know all about how I adore you
and if you can't say I love you, I'll say it for you
you say you don't know why
but you don't have to 'cause I know
you say you don't know why
but you don't have to 'cause I know
