"Shot Down"

Hey Little girl,
What's the matter with you?
Don't you like
The things I do?
You're wearing a frown.
I've been shot down.

Hey little girl,
I play a guitar.
I even drive
A brand new car.
Big man in town,
I've been shot down.

(Bridge)

WAAAHHHH
I thought he was having fun,
Now see what you've done.
Can't show my face in town
Cause I've been shot down.

Solo

Hey little girl,
I need you so.
If you want my love,
Just let me know.
Stop running around,
I've been shot down! x2
