It started out like any other day  
Wake up, kiss the wife, shave  
Till my wife walks in yelling  
?You didn?t feed the dog?,  
?You didn?t pay the bill?  
Then it all goes black  
When I see again  
She?s on the floor  
I stabbed the her 48 times  
I am not sorry all I can think is a least I can eat in peace  
So I drag her to the table and we eat breakfast  
?Hey, honey you want some breakfast?  
I go to work  
When I get home cops are their  
They arrest me  
Now I?m sitting here in my cell  
My own private hell  
It?s my court date  
Lawyer says temporarily insane  
I say temporarily sane  
Judge says death  
I say I?ll be back  
Judge says only in dreams  
I say don?t go to sleep  
Time for last meal  
Executioner brings food  
Says tomorrow you are mine  
It all goes black again  
See again  
He?s on the floor  
I broke him in half  
Grab the keys  
Step out the max prison  
Flip it off  
Smell that deathly NY air  
I?m home  
Find the judge?s home  
All goes black again  
See again  
Judge is sitting in a chair  
He must have saw me and lost his head

I am drenched in blood  
Find the nearest empty grave  
Lay down  
Time for sleep
