Sitting in Hell
Might Never Post Bail
Never Fuck With Me
Chorus:
Won?t You Fall On Your Face
So I Can Hate You At A Faster Pace
I Thought It Was Love
So I Let You Shove
Me Down The Stairs
Chorus:
Homicide, Suicide,
Genocide, screwacide.
Life or Death
It?s Coke or Meth
Chorus:
If you don?t want to burn it
Then you got to earn it
Your life in an urn
Never to learn
Chorus: I?ll spit on your grave
Even though you never gave me anything
I will not save you
Life in a cave
