You tell me that I am gonna fail but you

4x

Never know, never know, never know

Never know.

You never know

Take a chance, think of what you do

Ain't no time to play around

Make a way for a better day

So you stay and make it right

You tell me that I am gonna fail, but you...

4x

Never know, never know, never know

Never know.

You never know

Make a way, I am here to stay

There's no way I'm going down

Believe in me, you can set me free

Cause I know you'll be around

You tell me that I am gonna fail, but you...

4x

Never know, never know, never know

Never know.

You never know

You never know

You never know

You never ever ever ever

You never ever know

Give yourself a chance to do it all

You'll not regret it

Always having fun enjoying life cause you...

4x

Never know, never know, never know

Never know.

You never know

You never know

You never know

You never ever ever ever

You never ever know
