[Verse 1]

The shit that you promote  
Fightin, fuckin, like you don't want to grow  
You talkin so much sex, but you nah tell the youts bout  
AIDS  
and you tell them bout consequence, no!  
You talkin like you a G  
But you killer killin your own, your just a racist man's  
pussy  
Tell me who you wants to know  
What, when, who, where or how you do your hoe

[Pre-Chorus]

Certainly not, me  
Certainly not, me  
Cos baby personally, I like to be challenged mentally  
I've heard it all before gangsters, pimps and whores  
Quality is poorA girl likes me needs more!

[Chorus]

It takes more to amuse a girl like me  
So much more to confuse a girl like me  
They got you, cos while you're braggin bout your  
badness  
You're just avoidin, addin to the reel shit that's  
happening to us

[Verse 2]

Who gives a damn about the ice on your hand, if it's  
not too complex  
Tell me how many Africans died for the baguettes on  
your Rolex  
So what you pushin a nice car  
Don't you know there ain't no such thing as superstars  
We leave this world alone  
So who gives a fuck about the things you own

[Pre-Chorus]

[Chorus]

[Verse 3]

Now I could sit and shit about how I sex  
But my business is my business I got self respect  
I could talk bout how my press could pimp man doe  
Get the keys to his ride and his home  
But I looked it up and that would make me a hoe  
Little sisters now I really gotta let you know  
Reel women ain't sexin for no mans doe  
Reel women work hard to make they own  
And we can all chat bout gats and blacks on blacks  
Enforce the hypes and all be stereotypes  
But youts are watchin that ain't what I'm here for  
Show em to think higher and aspire to be more

[Chorus] - repeat 2X
