Life's full a pain  
Life's full a stress  
Specially when your comin from the streets  
Inhale ma vibe  
Like ya smoking sess  
Let it flow from your head down 2 ya feet

I gotta high 4 every body who want some  
Worldwide ghettos if your fellin this one  
I gotta natural high just 4 ya brain  
I'll make you fly but I wont turn u insane

What me say now  
Fuck powder fuck pills see me  
Sticky chemical free like sweet sense  
Fuck coke fuck ecstasy  
I seen that shit take over to many  
Fuck powder fuck pills see me  
Sticky chemical free like sweet sense  
Fuck coke fuck ecstasy  
My music gets me high as I need
