[Verse One]

Remember when I was so weak for you  
Remember when I felt so deep for you  
I remember the day I cried for you  
Remember the days I thought I'd die for you  
But you said you had no time for me  
Said that you and I would never be  
Said you wouldn't mind gettin' up between my legs  
But not good enough to be your girl that's what you said

[Pre-Chorus x2]

Ooh how you broke my heart that day  
All the love I had for you  
But only disrespect did you show me

[Chorus]

Now you want my love  
So what ya tryin' to tell me?  
Now I'm good enough?  
And now you want my time  
If you think you're gunna get it  
Must be out ya fuckin mind

[Verse Two]

Now it was pure disrespect that you showed me  
And now suddenly a brother wanna know me  
Is it because I'm Ms. Dynamitee  
That suddenly you wantin' me to be your wifey  
You're showing how shallow you really are  
Coz all this shit don't make me no superstar  
Lickle name Lickle fame Up in dis game  
Shit ain't changed, shit ain't changed  
I'm still the same  
I'm still the same girl  
Who's heart you broke that day  
All the love I had for you  
But only disrespect did you show me

[Chorus]

Da Da Da

[Chorus]

Now you tried misusin', abusin' and usin'  
Was it ammusin' when you was confusin'  
And left me in sorrow  
Now tell me who's in control  
And it was so upsettin'  
But now I'm lettin' you know  
My love you ain't gettin'  
I'm bettin' that you regrettin'  
The day you stole that lickle piece of my soul

[Chorus x2]
