Well ana you're late  
And maya, i'm here.  
The boys in the band,  
Decide to appear.  
We walk through the door  
Savour the air.  
The girls on the floor,  
I've come here to stare.  
We've come here to stare.

Yeah

Dont touch the girls,  
Dont kiss the girls,  
I have the right to pull the girls.  
Get in a fight,  
On every night,  
The scratches, the bruises and the bites.  
But i wanna touch,  
And i wanna kiss,  
And if you say no then i will persist,  
With you tonight,  
You'll make it right.  
You know that you're wetting my appetite.

You can call me x,  
You can call me y,  
You can call me z,  
You can come and try.  
Come and try.

Dont know what you think you're doing to me,  
(Hey! Stripper, Hey! Stripper)  
Dont know what you see its getting to me,  
(Hey! Stripper, Hey! I wanna be your mister)  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na

Like you're perfume,  
Your skin is smooth.

The way you move,  
Im in the mood.  
Tease the crowd,  
Please the crowd,  
I'm boiling i want you to see me now.  
You get me girl,  
When you're nervous well,  
And when your hand is in the thong.  
You may be right,  
I close them tight,  
You're saving the best for me tonight.

You can call me x,  
You can call me y,  
You can call me z,  
You can come and try.  
Come and try.

Dont know what you think you're doing to me,  
(Hey! Stripper, Hey! Stripper)  
Dont know what you see its getting to me,  
(Hey! Stripper, Hey! I wanna be your mister)  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na

I've come to stare,  
I've come to stare,  
You like me to stare?  
I like your underwear.

I've come to stare,  
I've come to stare,  
You like me to stare?  
I am a voyeur.

Dont know what you think you're doing to me,  
(Hey! Stripper, Hey! Stripper)  
Dont know what you see its getting to me,  
(Hey! Stripper, Hey! I wanna be your mister)  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na  
Na na, Na na, Na na, Na na, Na
