"Cross My Heart"

Gut knotted, you don't care
Mind rotting, through my stare
You walk away

Lifeless feeling in my mind
Bloody hands seem so divine
You think it'll go away

Cross my heart, hope to die
I lost my dream today
I lost my dream today
I lost my
Cross my heart, hope to die
Pluck out my fucking eye

I am broken everywhere
Loveless bastard, I don't care
I walk away

Tell me something I don't know
Tell me how I need to grow
Emotions drain

Cross my heart, hope to die
I lost my dream today
I lost my dream today
I lost my
Cross my heart, hope to die
Pluck out my fucking eye

You, you walked away
You, never planned to stay
You, you walk away, just get away, just stay away
I said you, never plan to stay, just walk away, just stay
away
I swear, cross my heart hope to die
Cross my heart hope to, dear God my

Guts knotted, showed no care
Mind rotted through my stare
You walked away

Lifeless feeling everyday
Bloody hands were my decay
You thought it'd go away
Why?

Dream today
I lost my dream today
I lost my
Cross my heart, hope to die
Pluck out my fucking

Dream today
I lost my dream today
I lost my
Cross my heart, hope to die
Pluck out my fucking eye, eye, eye, eye
