End  
Way  
Falter

i haven't rendered this to anyone before  
the book is open  
and its spilling on the floor  
comes once again  
I'm buried in sin  
all hope is gone

end  
way  
falter

falling down again

end  
way  
falter

feeling down again

waves come crashing ever lasting  
this amount of pain  
forever changing, anticipating  
the same mistakes I've made

it comes once again  
I'm buried in sin  
all hope is gone

end  
way  
falter  
falling down again

end  
way  
falter

feeling down again

feeling down again

I'm feeling down again

end

way

falter

falling down again

end

way

falter

feeling down again

(I'm feeling down again)

end

way

falter

(I'm falling down)

falling down again

(I'm falling down again)
