Feel my angst
Deep within me
Feed my strength
Your words are empty

Look inside and you will see
Break inside, break inside
Here I am, my own
And that's something to me
I've grown, too strong
To be under your feet

See the hands
That try to hold me
Read the past
I never was free

Look inside and you will see
Break inside, break inside
Here I am, my own
That's something to me
I've grown, too strong
To be under your feet
Suck it

Deeds of shame
The world around me
Know my pain
The world that I see

Look inside and you will see
Break inside, break inside
Here I am, my own
And that's something to me
I've grown, too strong
To be under your feet

Here I am, my own
And that's something to me
I've grown, too strong
To be under your feet
