To the beat y'all

[Master P]

Weebie! Holla at me (c'mon), I'm at the ball  
I got like twelve bottles of bubbly (oh)

[Chorus One 2X: Weebie]

I like the way she shake it in the thong - OOOHHHWEE!  
The way she make it twurk and grab the wall -  
OOOHHHWEE!  
Oh, baby you know whatchu doin - OOOHHHWEE!  
No Limit got the steps bouncin and movin -  
OOOHHHWEE!

[Master P]

I know a big girl, with a ironed skirt  
Give her couple dollars, she'll make it work  
I mean holla at me whoadie, you know our crew large  
My fantasy's to have sex wit two broads  
On a boat or a plane, some exotic cars  
From a Bentley to a Lex, girl, bring the toys  
On the dance floor, shawty started takin it off  
Took her to the V.I.P., started breakin me off  
Said she knew I was a baller by my iced out wrists  
I told her "Wait, it don't stop, keep drinkin the Cris"  
I'm a country boy just like the Dukes of Hazzard  
See a fine chick, you know I'm gon' grab her  
Annie May girl where you at?  
This No Limit boy tryin to do that thang  
I said "Rock the boat, don't let it sank"  
It's time to go to war, I got the tank

[Chorus One]

[Master P] Say that then

[Weebie]

I could work, put ya body, c'mon back it up, back it up  
You know Weebie and Master P, we gon' tank it up, tank  
it up  
Turn around to the ground, you know how it goes

Catch the flow, tippie-toe, come and wobble some mo'  
Like you know how I do it so don't act surprised  
For a fact gotchu dancin 'til you hurtin your thighs  
Now won'tcha tune it up and wobble wit it  
Act a fool and wobble wit it  
Won'tcha make it hustle, ooh baby don't pull a muscle  
Gotcha workin on the wall 'til you run outta breath  
No Limit like I told ya so y'all give us respect  
Now you could shake it like a dog, break my fuckin  
balls  
Do it how ya do it, lemme see ya take it off

[Chorus One]

[Chorus Two: Weebie]

Now won'tcha rock, rock on, rock, rock on, rock, rock on  
Rock, rock on, rock, rock on, rock, rock on, rock, rock  
on, rock  
Now won'tcha turn around and hustle wit it  
Back it up and hustle wit it, test around and hustle wit it  
Ooh baby, ooh baby

[Master P]

Mary had a big ol' butt, in them tight ass jeans it'd show  
And every club that Mary was at them thugs were sure  
to go  
I mean she had bow-legs wit the curves just like a bottle  
Project chick but pretty just like a model  
When I'm rollin through the hood she on dubs  
Don't mind gettin in and shakin her thang in the club  
I mean, beat bopper she loved the tote shoppers  
Call her head nurse then I'ma be the doctor  
A real country mamma cook grits and eggs  
And she won't leave the farm except to get paid  
Candies on twat cause she love to ball  
Find her at the mizzle on the dresser or the mall  
Buyin, high heels on some leather boots  
Or lookin for them ballers wit the crazy loot, WHAT?!

[Chorus One]

[Chorus Two]

[Master P over Chorus Two]

Where them No Limit boys at? Throw them 'bows  
Them No Limit girls, get money and what?  
Told y'all clowns ain't no stoppin us  
Putcha "Gameface" on when ya catchin us

[Master P] (Weebie)

East side (OOOHHHWEE!), Mid West (OOOHHHWEE!)

(OOOHHHWEE!)  
The ghetto clique (OOOHHHWEE!), No Limit!

Haters off, can't stop us, can't stop me (OOOHHHWEE!)  
Y'all, know, where we be (OOOHHHWEE!)
