Good god
I've got your demon seed
Deep down inside of me

Two skins one man
Fit in one hand
God damn that man
And everything created by him

Ask why so high
Answer young die
Call scam his hand
And everything created by them

I'm your man
By your hand
I'm your man

So look on
I've got your demon seed
Deep down inside of me

So thin this plan
Written in your hand
Watch me fall my friend
As the bottom drops from beneath me

I'm your man
By your plan
I'm your riotous sin

So look on
I've got your demon seed
Deep down inside of me

So look on, fool of a golden deed
Deep down inside of me
So look on, look on

Can you tell me more
Have you ever been down this far before
Can you tell me more

Have you ever been down

Go, go, go, go, go, go
Go, go, go, go, go, go
I've got your demon seed
Deep down inside of me
Go, go, go, go, go, go
Go, go, go

I'm two skins I'm one man
I fit in one hand
God damn that hand
And everything created within it

I'm your man
By your plan
I'm your sin

So look on
I've got your demon seed
Deep down inside of me

So look on, fool of a golden deed
Deep down inside of me
So look on, look on
