I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cadillac car, baby it's the best by far

If you wanna have fun and you're not a square type  
Come on out with me, we'll go drive tonight  
Drop down the windows, turn the radio on  
Cruise through the city, like we're really gone

When we go out drivin', let's go down town  
Then we cruise and we cruise, we go ridin' around  
If you see a pretty girl that looks all right  
You can bet your life, you gonna get 'em inside

I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cadillac car, baby it's the best by far  
Yeah, rock!

[Repeat chorus]

When night' gettin' over and it's time we gotta go  
We cruise once around the block, drivin' really slow  
Turn the car around and you head on home  
When you cruise a Cadillac, you never gonna cruise alone

You can see the people lookin' as you drive on by  
It makes you feel real happy, don't you know just why?  
Everywhere you go, you're just a real cool cat  
Drivin' and cruisin' in your Cadillac

I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cad', I got a Cad', I got a Cadillac car  
I got a Cadillac car, baby it's the best by far

Yeah, rock! Yeah Cadillac car!

[Repeat chorus]
