I am the sledgehammer messiah, waiting for sins to be  
born  
And if you stop for a moment you can hear the  
machines are playing your song  
There's nowhere to run and nowhere to speak  
I'm gaining you're falling into me  
Tell me you piece of shit, how does it feel  
To be down here with me?  
Living, living, dreaming dreaming  
Drowning!

Chainheart Machine  
By cosmic retribution I've been sent  
Cause I'll rise, You'll fall  
Roll the dice!  
My call

Tick tock, time to die  
No use reaching as time goes by  
Self absorbed egotistical...fuck!  
I'm reigning your life!

Chainheart Machine  
By cosmic retribution I've been sent  
Cause I'll rise, You'll fall  
Roll the dice!  
My call

Preaching for the Sun  
They say there is a sun  
So I'm preaching for the sun  
They say there...is a sun

My body is chained to the ground where I walk  
They stalk they hunt my every thought with  
Execution, Evolution, Disillusion Pre-conclusion  
Why is it me?

Chainheart Machine  
Your suffering will be legendary, even in hell!  
Cause i'll rise, you'll fall

Roll the dice!

My call! [2x]
