I fought the forces that will bring me down
They crawl without a sound
They wake me up at night, kill the lights, make it right
No time for slumber I'm getting dumber every sigh,
-everytime I'm standing tall, everytime i rise and fall

I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never find.

Weed out the sun, under the gun
Kneel down for the ricochet
My future tells no lies to a creature with no rights
As for the plans I have in mind I have nothing left to
find
Please show a sign, who's next in line?

I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm all denied faithfucked believer
I claim you'll never find a better fear

Chorus
Take a look, take a ride, stay by my side
Don't dare to think-let's FOLLOW THE HOLLOW
It kills your pride to be alive
Please step a side, cause I FOLLOW THE HOLLOW!

We head for hell and we do it well, come eat the dust
Cause it's all a dirty lie that chokes the sky

I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never find a better fear

Chorus
Take a look, take a ride, stay by my side
Don't dare to think-let's FOLLOW THE HOLLOW
It kills your pride to be alive

Please step a side, cause I FOLLOW THE HOLLOW!
(Repeat)
