Total oblivion of my inner past. Will i ever be the same
again

Landscapes of treasures before my eyes

Now it's over forget the past

Spirits...of the...future sun

Spirits of the future sun!!

Legal lies and desperate cries I cannot see

I'm on my own self destructive and the anguish of
youth

Futures rising in your mind!

Spirits...of the...future sun

Spirits of the future sun!!

Your spirits wait for me in vain! I won't fall!

Sun burns red on the innocent child

Twisted rules by uncommon souls computerized

Pathetic lies the lights are out... Here comes the war!

Spirits...of the...future sun

Spirits of the future sun!!

Your spirits wait for me in vain! i wont fall! (x2)

Total oblivion of my inner past. Will i ever be the same
again

Landscapes of treasures before my eyes

Now it's over forget the past

Spirits...of the...future sun

Spirits of the future sun!!
