Don't question any lies,  
There's no reason to find,  
Another trip, to cause a denial.  
Yet you're stripped and your hope is gone.  
Another trap, for you to fall into,  
You swallow every threat that comes to your mind.  
A shadow just as dark as your past,  
Is leading your way through a web of desire.  
Healing all the wounds in your chest,  
...vengeance is rising.

Can I ever resolve, If it's a matter of do or die?  
Can I ever resolve, if it's a matter of time?

Just remember,  
Where you've spent your time.  
Can't respect all the tears you have cried.  
Just remember,  
How you've changed your life.  
Can't trace your fate with a pitiful crime.

Don't question any lies,  
There's no reason to find,  
Another trip, to cause a denial.  
Yet you're stripped and your hope is gone.  
Another trap, for you to fall into

Can I ever resolve, If it's a matter of do or die?  
Can I ever resolve, if it's a matter of time?

Just remember,  
Where you've spent your time.  
Can't respect all the tears you have cried.  
Just remember,  
How you've changed your life.  
Can't trace your fate with a pitiful crime.

There's no way that you can dig much deeper,  
If you think it's alright.  
Assorting the right from the wrong ones,  
That you have learned so well..

You're stuck you can't remember,  
The light is turning dim,  
You're trapped although you've been there,  
A thousand times before.

Crestfallen be thy name. (x2)
