Y'all ain't ready  
For this 350 my Chevy  
24/7 top drop brains ripped out  
Disappear like I'm Makaveli

187 Timberland boot disposing of these leather gloves  
Ski mask on with a Chinese chopper  
And the ammunition to start a war  
M I M I L I K about face double time to the rear

Nobody move till I say get ready to ride no need to cry  
Hope y'all ain't scared to die  
You can die in here we handlin' thangs  
A T L A N T A G A that's where I stay march

On the grind handling mine  
On that shit 'til my dying day  
Keeping it real, keeping it trill  
Never catch me without that steel

God by road is where I trap  
Putting in work like a 9 to 5  
Stay game tight, left on right  
All my troops stay true alright

T I G H to the T 2 D E F that's me  
P A P E to the R C H A S and E  
And that's until my D to the Y I N G D A Y

Left keep it in step, left keep it in step  
Left keep it in step, keep it in step, keep it in step

Left keep it in step, keep it in step, forward march

1 army, 2 tight military  
3 grenade my, 4-5 still a bustin'  
6 rounds 'cause I'm trill with this  
7 mo' for the busta in the blue suit

8 choppers and they filled with troops  
9 seconds 'foe you lose ya life  
10 automatic firing weapons  
Now get on up, get on up, get on up

Left, left, left, left, left, right, left  
Get on up, get on up, get on up, right, left  
Left, left, left, left, left, right, left  
Get on up, get on up, get on up, right, left  
Left, left, left, left, left, right, left  
Get on up, get on up, get on up, forward march

One, one, two, three, four
