But if you were me

If you were me

Look from within

You'd know exactly how much

I'm intoxicated by you

Uncover me

Breathe silently

Come catch me while you can

Hush baby, I won't run

Resistance is useless

So jump in with both feet, 'cos

It's perfect, we've got it

So let's milk it, freeze this moment

The way you spin me over

No ordinary touch

Obscenely delicious

Love injected rush

If you were me

You'd know just how good you feel

Bodies undress

No second best

The things you can make me do

We'll get bubblewrapped for two

(Just for two)

Dance on thin ice

Taste me, don't bite

The gague is on overload

There's things you should never know

It scares you, no logic

It's gone too far to stop it
So strangely foresaken
But we can share this feeling

The way you spin me over
No ordinary touch
(No, no, no)
Obscenely delicious
Love injected rush
If you were me

The way you spin me over
(The way you spin me)
No ordinary touch
(No, no, no)
Obscenely delicious
(Ooh yeah)
Love injected rush
If you were me

You'd know just how good you feel
(If you were me you'd know it, how good you feel you'd know it)
(If you were me you'd know it, how good you feel you'd know it)
If you were me
(If you were me you'd know it, how good you feel you'd know it)
It feels so good

The way you spin me over
No ordinary touch
(No, no, no)
Obscenely delicious
Love injected rush
If you were me

The way you spin me over
No ordinary touch
(No, no, no)
Obscenely delicious
(Obscenely delicious)
Love injected rush

The way you spin me over
(The way you spin me)
No ordinary touch
(No, no)

Obscenely delicious
(Obscenely delicious)
Love injected rush

The way you spin me over
No ordinary touch
Obscenely delicious
Love injected rush
