Black star whenever you're ready  
you're much too far away!  
By now your soul seems steady now crawl to the cross

Meanwhile time takes a turn  
-I'm feeling damned when you make it burn  
Let's testify you're born to die  
-You speak the truth and so do I  
Don't give it away  
-Don't give it away  
don't try to nail  
don't you try to nail  
Don't try to nail!!

Black star whenever you're ready  
you're much too far away!  
By now your soul seems steady now crawl to the cross

Chorus  
Black star deceiver kills it all  
The sun lies waiting for a call

You seem to be a fatal one  
come watch me preach under the gun  
I'm down and out, so down and out!

Black star whenever you're ready  
you're much too far away!  
By now your soul seem steady now crawl to the cross

Chorus  
Black star deceiver kills it all  
The sun lies waiting for a call (Repeat)

Take me away, I'm in distress  
Oh grand deceiver put me to rest  
I was never in pain, sick or insane  
So hear me now you're the one I blame!

Meanwhile time takes a turn  
-I'm feeling damned when you make it burn

Let's testify you're born to die  
-You speak the truth and so do I  
Don't give it away  
-Don't try to nail!

Black star whenever you're ready  
you're much too far away!  
By now your soul seem steady now crawl to the cross

Chorus  
Black star deceiver kills it all  
The sun lies waiting for a call (Repeat)
