You have not seen the last of me  
I'm breeding thorns  
I'll follow your footsteps down below  
I will trust all my instincts and bring it home

Does it appeal to you now  
As a part of the violation?  
That wherever it takes you  
You won't be able to choose

I will carry the message  
It will swallow you whole

You ain't never gonna tell again  
Caught as the founder of the emptiness  
It must have made you stocked  
Whenever my pride was taken  
Again and again, again and again

Now put your envy in motion  
One step at a time  
I wanna see the closure  
When your access is denied

I will bury the damage  
I will drench the device

You ain't never gonna tell again  
Caught as the founder of the emptiness  
It must have made you stocked  
Whenever my pride was taken  
Again and again, again and again

Now, I want you to tell me, tell me again  
Do you see what I've seen?  
'Cause it's so damn obvious to me

Whenever a promise taken  
Won't you tell me that it's wrong?

You ain't never gonna tell again  
Caught as the founder of the emptiness

It must have made you stocked  
Whenever my pride was taken  
Again and again

You ain't never gonna tell again
