Brick walker won't you cease your time  
Instead of ruin daily lives  
Against the grain they stand  
Against the grain they fall  
Paint them a picture of their fate  
Face their fearless looks so pale  
It's so goddamn beautiful

If you are ready, put your hands on their fate  
Your mind is clear and your speech is free  
(Speech is free)  
Your doors are shut and they won't see  
(They won't see)  
With your cynic presence they'll shiver  
'Til the break of dawn

Come on, come on, come on  
They're so expendable

We're all so fatal, we're all too able  
(We'd like to have a break)  
Say  
We're all so tragic, illogical magic  
(We'd like to turn the page)  
Say

So, watch them cross the yard of time  
Do not fail, don't cross that line  
(Don't cross that line)  
Inside, they will leave tonight  
Vanish through the sky

We're all so fatal, we're all too able  
(We'd like to have a break)  
Say  
We're all so tragic, illogical magic  
(We'd like to turn the page)  
Say

Don't throw the page  
Don't throw it all away  
Gotta turn the page

Just lead thy pain astray

We're all so fatal, we're all too able  
(We'd like to have a break)

Say

We're all so tragic, illogical magic  
(We'd like to turn the page)

Inside, they will leave tonight  
Vanish through the sky
