Welcome, won't you please step aside?
Follow the hollow

I fight the forces that will bring me down
They crawl without a sound
They wake me up at night
Kill the lights, make it right

No time for slumber
I'm getting dumber every sigh
Every time I'm standing tall
Every time I rise and fall

I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never find

Wee out the sun, under the gun
Kneel down for the ricochet
My future tells no lies
To a creature with no rights

For the plans I have in mind
I have nothing left to find
Please show a sign
Who's next in line?

I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm all denied, faith fucked believer
I claim you'll never find, a better fear

Take a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollow

We head for hell and we do it well
Come eat the dust
'Cause it's all a dirty lie
That chokes the sky

I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm way behind, I'm so sincere
I believe you'll never find, a better fear

Take a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollow

Take a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollow

I think we're closer now, I'm getting nearer
I can see it touching ground, it's getting clearer
Can't you see I'm all denied, faith fucked believer
I claim you'll never find a better fear

Take a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollow

Take a look, take a ride, stay by my side
Don't dare to think, let's follow the hollow
It kills your pride to be alive
Please step aside, 'cause I follow the hollow now
