Total oblivion of my inner past  
Will I ever be the same again?  
Landscapes of treasures before my eyes  
Now it's over, forget the past

Spirits of the future sun  
Spirits of the future sun

Legal lies and desperate cries  
I cannot see, I'm on my own  
Self destructive and the anguish of youth  
Future's rising in your mind

Spirits of the future sun  
Spirits of the future sun

Your spirits wait for me in vain  
I won't fall

Sun burns red on the innocent child  
Twisted rules by uncommon souls  
Computerized, pathetic lies  
The lights are out, here comes the war

Spirits of the future sun  
Spirits of the future sun

Your spirits wait for me in vain  
Well, I won't fall  
Your spirits wait for me in vain  
Well, I won't fall

Total oblivion of my inner past  
Will I ever be the same again?  
Landscapes of treasures before my eyes  
Now it's over, forget the past

Spirits of the future sun  
Spirits of the future sun
