I've been hypnotized by the love in your eyes
I've been hypnotized by your eyes
I've been hypnotized by the love in your eyes
Hypnotized, come on let's go

I've been hypnotized by the love in your eyes
I've been hypnotized by your eyes
Girl your eyes
I've been hypnotized by the love in your eyes
Hypnotized,

I've been searching, for that fire
Now it's burning deep inside
And I'm dreaming, you'll be standing
Here forever, by my side
And I want you to know, I will never let go
I can be what you want me to be
And I'm loosing control, cause you open my soul
Whole when you're dancing with me

I've been hypnotized by the love in your eyes
I've been hypnotized by your eyes, Mikaela
I've been hypnotized by the love in your eyes
Hypnotized, x2

I've been searching, for that fire
Now it's burning deep inside
And I'm dreaming, you'll be standing
Here forever, by my side
And I want you to know, I will never let go
I can be what you want me to be
And I'm loosing control, cause you open my soul
Whole when you're dancing with me

I've been hypnotized by the love in your eyes
I've been hypnotized by your eyes, Mikaela

I've been hypnotized by the love in your eyes
Hypnotized, x2

I've been hypnotized by the love in your eyes
Hypnotized, hypnotized.
