I am a ghost,  
I am this transparent,  
Underlying, formless, shapeless being.  
I fall between the lines.

IãfÂçâ,¬Â™ m just another memory 4x (overlapping)

Hellacious origins create this disease,  
Neurotic defects result from a childhood suffering

I am forever incomplete 4x (overlapping)

This isnãfÂçâ,¬Â™ t a cry for help  
This is a synopsis  
When I lose to the fear I disappear  
When they search  
Nothing they will find  
IãfÂçâ,¬Â™ ve become the ghost

This fear becomes so exhausting  
Disconnect  
Sleep; a remedy  
Temporary fix  
IãfÂçâ,¬Â™ ll hold onto the hand you hold out  
I know youãfÂçâ,¬Â™ ve got a plan and a way out  
Just breathe my name so IãfÂçâ,¬Â™ ll catch my  
breathe  
The last wind that I need to reach the end  
My heart is racing  
Anticipating hell  
Without notice, without reason  
I woke up this way  
And IãfÂçâ,¬Â™ m lucky if IãfÂçâ,¬Â™ ll fall asleep  
Without a fight, without a  
Single, worthless, aimless, thought

IãfÂçâ,¬Â™ m tired, IãfÂçâ,¬Â™ m tired of  
unproductive incandescence  
resolving all the tension inside leads to erratic anger  
of incoherence

If your standing by my side

If you were standing by my side  
I'd be sorry if I'd ve run to hide  
to answer the ghost inside

Every sun rise that you stay  
Is worth more than worth can be measured  
Every sun that sets I hope  
You know you are everything!
