This is a letter with  
the deepest  
sorrow  
with an open mind  
I pray  
you read  
my thoughts of today  
I  
carry a burden weighed  
by  
devious settings  
of a God ridden  
world in which  
fulfilled prophecy  
Generation genesis expanding  
sickness wide  
They crave the  
blood of the innocent  
And  
underlying phenomena naked to the  
eye  
provoke the thought of their  
sinful ways

Lost is  
innocence  
without a trace,  
without a care

Lost is  
innocence  
another sign of a dying  
world

Whatever it takes to  
sate sensual hunger  
At the  
cost of anyone  
Forbidden lines of  
ethics fade increasing  
tolerance  
It could be worse, is

what they say

Lost is  
innocence  
without a trace,  
without a care

Lost is  
innocence  
another sign of a dying  
world

Wake up America 4x

I  
am not the model of perfection  
I  
have begun to see evidence  
of the  
infection  
within myself  
at the  
mercy of my flesh  
so  
weak

Stand strong, stand firm,  
stand up  
restore respect for  
ourselves, and our peers  
Stand  
strong, stand firm, stand  
up  
restore respect for ourselves,  
and our peers  
Stand strong,  
stand firm, stand up  
restore  
respect for ourselves, and our  
peers

Stand strong, stand firm,  
stand up  
lets fight for something  
besides our selfish fix

The  
burdens that we carry can  
overwhelm us  
We were never meant  
to

re-ly  
on our  
own  
strength  
These generations  
passed left with holes that never  
seem to  
be  
com-plet-ly  
restored

God  
is not dead he is hidden behind a

generation more concerned with  
fulfilling happiness  
We are  
beings bound by a nature of  
sin  
Granted free will to serve  
our creator or ourselves

This  
epidemic  
induced by the wicked  
ways of fallen  
and corrupting  
every corner of this self consumed  
earth  
At the forefront of this  
masquerade  
a media

regurgitating defective  
allegations  
degrading the value  
of human worth

We will one day  
stand at the feet of a God who is  
just  
We will one day stand at the  
feet of a God we can trust  
We  
will one day fall to our knees and  
beg for a 2nd chance  
we will one  
day burn with the likes of an  
enemy  
with the likes of an enemy

with the likes of an enemy
