You change your mind  
Like a girl changes clothes  
Yeah, you P.M.S.  
Like a bitch I would know

Yeah, you over-think  
Always speak cryptically  
I should know  
That you're no good for me

'Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down

You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up

You don't really want to stay, no  
You don't really want to go, oh

'Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down

Someone call the doctor  
Got a case of a love bipolar  
Stuck on a roller coaster  
Can't get it off this ride

You change your mind  
Like a girl changes clothes

'Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down

You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up

You don't really want to stay, no  
You don't really want to go, oh

You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down
