There are complicating moments
But none when I'm with you
Always sorrow if they ...
I've ended bear to romance
And all so started new
It's a stage I'm going through

I put myself in your hands
And feel is up today
You find the perfect way

Straight to my heart
Straight to my heart
Straight to my heart
Straight to my heart
Straight to my heart
Straight to my heart

There are complicating moments
But none when I'm with you
Always sorrow if they ...

I put myself in your hands
And feel is up today
You find the perfect way

Straight to my heart
Straight to my heart
Ohhh Ohhh

Tonight is the night
That the feeling is right
Ohhh Ohhh
Tonight is the night
And I'm holding it tight
Ohhh Ohhh

Tonight is the night
That the feeling is right
Ohhh Ohhh

Cause you made it straight to my heart

Straight to my heart
