My body is flying,
My eyes are sparkling,
The music is lovely and sweet -
La.. la.. la... la... la...
Sing a song
with some beautiful words -
I was waiting too much and too long

Refrain:
Play it fast!
Come and dance!
Feel my heart -
My life is beginning at last...

My life is an ocean.
So full with emotion
The music is making me mad,
La.. la.. la... la... la...
Come and dance.
I will conquer the world
I can fly like a bird to the sky!

Refrain.

I am swinging,
I am moving,
I know what I am doing, I do
La.. la.. la... la... la...
Play it fast!
Come and dance!
Feel my heart -
My life is beginning at last...

Refrain.
