Loving you the way I do  
And all these things  
that we've been through  
Made me sad, made me mad  
Finally that we're apart  
There's only sorrow in my heart  
Hard to say, I'm O'K

'Cause I would die for you  
Look into my eyes and see it's true  
Really I could never lie to you  
Just to make you see that  
No one else could ever love you  
Like the way I do

Die for you  
Look into my eyes and see it's true  
Really I could never lie to you  
Just to make you see that  
No one else could ever love you  
Like the way I do

Now that you're here no more  
The nights are longer than before  
Hard to say, I'm O'K

'Cause I would die for you  
Look into my eyes and see it's true  
Really I could never lie to you  
Just to make you see that  
No one else could ever love you  
Like the way I do

Die for you  
Look into my eyes and see it's true  
Really I could never lie to you

Just to make you see that  
No one else could ever love you  
Like the way I do

'Cause I would die for you
