Ooh
Ba ba ba ba-da ba
Ooh
Ba ba ba ba-da ba

Now I don't wanna stay out tonight
What do you think about that
Does it sound like a plan
And I don't wanna feel out a crowd
And I got a nice one with a plan [unverified]
And a light and a match

Let's just so, let's just so, let's just so
Let's have a champagne chronic nightcap
Light the dro, sip on mo', let's just so
We'll have a champagne chronic nightcap
What you feel about that

Ooh
(Ooh)
Ooh
(Ooh)
Ooh
(Ooh)
Don't you wanna elevate, babe
It could be so crazy, babe

Ooh
(Ooh)
Ooh
(Ooh)
Ooh
(Ooh)
Don't you wanna take me higher
Take me higher

So this is and occasion so light
Can do so let's live for the night
'Cause, honey, I'm no blazer alright
(Blazer)
But I know to keep up the hour and just live for awhile
So what cha think about that

(That)

Let's just so, let's just so, let's just so
Let's have a champagne chronic nightcap
Light the dro, sip on mo', let's just so
We'll have a champagne chronic nightcap
What you feel about that

Listen baby, yeah
'Cause I don't wanna feel no pain
No baby, the trials of another day
Just seem to fade away

When it's just me and you
Good ooh woo
Maybe a drink or two, baby
Let's make these walls

Ha, yeah, I'm with you
My shovel get me to your level
'Cause I dig ya, I Stevie Wonder, ponder
Think, figure, dream of you daily

Why would I kid you
I'd rather practice making a kid
But I'm full to the leg
Yes, maybe baby but I dig ya

Carter creates chemistry with carisma
Now maybe it's the chronic we twist up
See we can get high
I hope we get stuck

Now do you
You got that ooh woo
Swisha sweet
Make me wanna L I G

You are, no war
We can talk about the war
What's right and wrong
Cry right song couple stars

And that you so are
I can make tonight so good
You wouldn't want to see tomorrow
You're chief, yeah, you feel me, baby

Sometimes
(Sometimes)
I just want it to be

Me and you
Me and you and some good ooh woo

(I agree)
Just me and you and some good ooh-woo
(I can definitely second that, baby)
Just me and you and you and you

Yo chief
Yeah, what cha talkin' about?
Can you pass me that umm
Of course you would

That good, ooh woo
Look at you
Just for the night
Just for the night, baby
Now c'mon over here
You got me

Let's just so, let's just so, let's just so
Let's have a champagne chronic nightcap
Light the dro, sip on mo', let's just so
We'll have a champagne chronic nightcap

Ooh, ba ba ba ba da ba
Ooh, ba ba ba ba-da ba
Blazer
