Intro

J-Boog (B2K): Uh, yo, sing it, uh

Solange: Doo, doo, too, too, too, too

Verse 1 - Solange

I've been watching from across the room,  
Thinking how I want to dance with you.  
See you moving on the dance floor,  
Makes me wanna dance with you even more.  
I like your style, you're so confident,  
All the haters call you "arrogant".  
I don't care if what they say is true,  
'Cause all I want to do is dance with you.

Chorus - Solange

I see you checking me  
And I'm looking at you so  
No matter who approaches first  
Just make a move 'cause  
On the floor you got it,  
I got it to  
I wanna dance with you  
Dance with you

Verse 2 - Omarion [B2K]

Girl it's funny you are feelin' me  
'Cause in my mind I'm thinking the same thing.  
How I want to move and dance with you  
To intimidated to approach you.  
I like your vibe, so baby girl what's up  
All the chickens' heads claim that you're stuck up.  
I don't care if what they say is true,  
'Cause all I want to do is dance with you.

Chorus - Solange + Omarion

J-Boog: Uh, yeah.

Da, da, da, da, da, da, da

What, Solange, yeah.

Solange: You're trying, you're trying.

J-Boog: Dance with me, C'mon

Rap - Lil' Fizz

It's the same little cats who came to rock your world  
It's amazing what I do to this little girl.  
Got them leaving their boyfriends the talk around  
school  
You ain't never met a 15-year-old guy this cool.  
Come on ma roll with me I'll make your life better  
Not pressuring you I know you wanna claim this  
Poked in the party ma singing off key.  
Oh, off key

Solange: Make a move!

Verse 3 - Eric Lee

You and me, we're dancing all the night  
Dancing with you makes me feel all right  
Watching you doin' your little freaky thing  
The way you move, girl, you make me wanna sing  
I can't help it, must be the way you walk  
Or maybe it's just the way you talk  
But all I know what I wanna do  
Is I wanna dance the night with you

Chorus - Solange, Omarion and J-Boog
