Intro

J-Boog (B2K): Uh, yo, sing it, uh

Solange: Doo doo too too too too

Verse 1 - Solange

I've been watching from across the room,
Thinking how I want to dance with you.
See you moving on the dance floor,
Makes me wanna dance with you even more.
I like your style, you're so confident,
All the haters call you "arrogant".
I don't care if what they say is true,
'Cause all I want to do is dance with you.

Chorus - Solange

I see you checking me out
And I'm looking at you so
Don't matter who approaches first
Just make a move 'cause
On the floor you've got it,
And I've got it too
I wanna dance with you..
Dance with you.

Verse 2 - Omarion [B2K]

Girl it's funny you are Feelin' me
'Cause in my mind I'm thinking the same thing.
Of how I wanna move and dance with you
Too intimidated to approach you.
I like your vibe, so baby girl what's up
All the chiccass claim that you're stuck up.
I don't care if what they say is true,
'Cause all I want to do is dance with you.

Chorus - Solange + Omarion

J-Boog: Uh, yeah.

Da da da da da da da

What, Solange, yeah.

Solange: You're trying, you're trying.

J-Boog: Dance with me, C'mon

Rap - Lil Fizz

It's the same little cats who came to rock your world

I'ts amazing what I do to this little girl.

Got them leaving their boyfriends

I'm the talk around school

You ain't never met a 15 year old guy this cool.

Come on ma roll with me I'll make your life better

Not pressuring you I know you wanna claim this

Poked in the party ma singing off key.

Oh, off key

Solange: Make a move!

Chorus - Solange, Omarion and J-Boog
