Oh oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh oh

If I were you
Then rest assured that Iâ€™m in love
In love with you

If I were you
Then rest assured that Iâ€™m in love
In love with you

Baby, baby, please donâ€™t let me down
In love with you

Baby, baby, please donâ€™t let me down
If only broken hearts live all above
Baby, baby, please donâ€™t let meâ€¦

I canâ€™t get up (I canâ€™t get up)
Iâ€™ll move the mountains in my mind (in my mind)
You bet your luck
Iâ€™ll write your name in city lights
To brighten up your room oh

Baby, baby, please donâ€™t let me down
If only broken hearts live all above
Baby, baby, please donâ€™t let meâ€¦

Spill up all of your love for me
Tell em Iâ€™m your lover baby
In my mind

Spill up all of your love for me
Tell em Iâ€™m your lover baby

Baby weâ€™ve got time for time to wait
I put you on the line, no choice to make
Running on these slopes, skew down the way
When every minute move things yours to take

We turn time into shapes

But we could live it may
Ten hours into space oh oh oh oh
Put seconds into stars
The way you're loving me
Turn circles into hearts, oh baby
