#### Verse1

My family my friends and the  
job I have the life I live  
These are the things that put a smile on my face, my  
face  
My mama  
Their love for me, kisses and hugs for me  
These are the things that just plain make me happy,  
happy

#### B-Section

The things I love, make me appreciate,  
The things I love, where I am today,  
The things I love, don  
Live everyday like it

#### Chorus

It  
You just take a moment to reflect all the things that  
make you feel good  
It  
Theres nothing wrong with, just feeling, feeling good

#### Verse2

Listening to music, waiting for cupid  
To find the one, just having fun  
These are the things that make life what it is, it is  
Good old Sundays bieng lazy  
Chillin with my girls, ignoring the world  
These are the things that makes life good to me, to live

#### B-Section

The things I love, make me appreciate,  
The things I love, where I am today,  
The things I love, don  
Live everyday like it

#### Chorus

It  
You just take a moment to reflect all the things that  
make you feel good

It  
Theres nothing wrong with, just feeling, feeling good

#### Bridge

I just want to feel good with y  
Just want to feel good with y  
Is it okay if I feel good with y  
The feel good song  
I feel good with y  
I just want to feel good with y  
Just want to feel good with y  
I know you wont mind if I feel good with y  
The feel good song  
I feel good with y

#### Chorus

It  
You just take a moment to reflect all the things that  
make you feel good  
It  
Theres nothing wrong with, just feeling, feeling good
