Stand in the dark  
A little while longer

...

Induce in the morning

Sleep in the park  
And eat on the corner  
'Cause there we got to spend it for life  
Ah, ah

No, we got a long way  
No, we got a long, long way to go  
No, we got a long way  
Yeah, we got a long, long way to go

We can't survive on love baby (baby)  
No, no, ah  
We can't survive on love baby  
We can't survive on just the, just the love baby (baby)  
We can't go alone, oh love  
If we do, then we die

Take out the trash  
And throw out your wallet  
Been living in the ...  
And waste our ...

Dress me in rags  
Just make sure my shoes fit  
To walk around this ...

No, we got a long way  
No, we got a long, long way to go  
No, we got a long way  
Yeah, we got a long, long way to go

We can't survive on love baby (baby)  
No, no, ah  
We can't survive on love baby  
We can't survive on just the, just the love baby (baby)  
We can't go alone, oh love  
If we do, then we die

Yeah, we got a long, long way to go  
We can't survive on love baby  
We can't survive on love baby (baby)  
No, no, ah  
We can't survive on the love  
We can't survive on just the, just the love baby (baby)  
We can't go alone, oh love  
If we do, then we die
