When the child was just a child
It did not know what it was
Like a child it had no habits
No opinions about anything

Maybe I will get a job
Get a job as a waitress
Maybe waiting tables in a diner
In some remote city down the highway

Chorus:
After all that we've been through
I know we can make it after the wait the question is a
truth
There is nothing we can't do
I'll see you along the way baby the stillness is the move

Aaaaaah ooooooh x2

On top of every mountain
There was a great longing
For another even higher mountain
In each city longing
For a bigger city

After all that we've been through
I know that I will always love you
From now until forever baby
I can't imagine anything better

(chorus)

Isn't life under the sun just a crazy dream?
Isn't life just a mirage of The world before the world?
Why am I here and not baby over there?
Where did time begin?
Where does space end?
Where do you and I begin?

(chorus x2)
