[Chorus]

You like me, you're frightening,
You're always, exciting,
The timing, has got me, this could be love!
It's crazy, amazing,
Embracing, it takes me,
'Till I'm free, baby, this could be love!

[Verse 1]

Oh, I cannot sleep at night,
Dream of you all day,
Love is such a crazy thing that's smelled like in the
spring,
Oh yeah, you made me feel, yeah, ooh...

[Bridge]

You don't have to run no race my feelings' in me come
to you
No one's got some' on me, when you're present here I
know it's true,
Because no one can make me feel like you do,
So special to me, unique, baby!

[Chorus]

You like me, you're frightening,
You're always, exciting,
The timing, has got me, this could be love!
It's crazy, amazing,
Embracing, it takes me,
'Till I'm free, baby, this could be love!

[Verse 2]

Oh, I feel it in my heart
I feel it in my soul,
You - I'd like a seat next to someday our love will grow,
Yeah, I mean I'm feeling you! Yeah, yeah!

[Bridge (with ad-libs)]

You don't have to run no race my feelings' in me come

It's love, it's joy,
It takes me a place where my best way I love so much
yeah,
For sure, forever, uh hu
