Dead puppies
Dead puppies
Dead puppies aren't much fun
They don't come when you call
They don't chase squirrels at all
Dead puppies aren't much fun

My puppy died late last fall
He's still rotting in the hall
Dead puppies aren't much fun
Mom says puppy's days are through
She's gonna throw him in the stew
Dead puppies aren't much fun

Dead puppies
Dead puppies
Dead puppies aren't much fun

Dead puppies
Dead puppies
Dead puppies aren't much fun

Dead puppies
Dead puppies
